

The DL54 downlight adopts high lumen SMD LED, with a PC diffuser for even light output.

This downlight is particularly economical, with V0 fire rated plastic housing and an internal, built-in driver.

Dimming options are available, which makes this such a popular downlight.

**NOTE:**

Also available in 10W, 13W and 20W options.

### Key Information

Wattage	16W
Cut-out Size	160-170mm
Lumen Output	1400-1550LM
Install	Recessed
Dimming	Yes
Trim Colour	White
Warranty	2 years
