## ELWA Electric Instantaneous Combi Heater & Hot Water

### HOTRUN C16

Dimensions	580 x 360 x 230 mm			
Power rating (adjustable)	6 / 12 / 16 kWatt			
Voltage	415 V			
Current	10-25 Amps			
IP class	IP24			
Connections	1/2" BSP			
Weight	23.5 kg			
Performance at $\Delta T = 25^{\circ}\text{C}$	Set to 6kW	4.0 L/min	415V-3x10Amps	
	Set to 12kW	7.2 L/min	415V-3x20Amps	
	Set to 16kW	9.0 L/min	415V-3x25Amps	
Maximum pressure	2 MPa			

- Combined system with separate heating hot water generation
- Intelligent temperature limiter
- Space heating control by standard room thermostat or App
- Touch screen display
- Energy efficient circulation pump
- 3-step overheating protection
- Automatic anti freeze function
- Full diagnosis in display
- Very quiet operation
- Can be placed anywhere as it is fully electric, no flu, no gas connections required

More than 30 years  
 experience with  
 the production of  
 electric hot water  
 devices

CB CE
